COFFS HARBOUR NSW 2450

Dear Mr Leet,

Congratulations to you and the team at Integrity New Homes for winning the HIA NSW Professional Builder of the Year Award. This is a major award for a locally based builder, and you and your staff have every reason to be proud of this achievement.

This award speaks volumes about your dedication to the consumer and attention to detail.

In these tough economic times, your successful expansion and growth into new markets is a testament to the quality of your product, and your commitment to customer service.

Congratulations again on this significant achievement.

Yours sincerely,
